

Village of Whitehouse Pool Credit Form

In order to assist residents when filling their pools for the season, they are entitled to a once-a-year credit on the sewer portion of their water/sewer bill for up to 10,000 gallons of water. In order to receive the credit, you must record the beginning and ending meter readings and dates you filled the pool. We will also need your pool permit number and the dimensions of the pool. If you have any questions, please feel free to contact Robin at 419-877-5383.
